Career Objective

Aspiring Java Full Stack Developer with strong knowledge of Java, Spring Boot, React, and MySQL. Passionate about developing scalable software solutions and continuously learning modern technologies. Seeking an opportunity to contribute as a Java Developer or Software Engineer.

Technical Skills

Languages: Java, SQL

Frontend: HTML, CSS, React

Backend: JDBC, Servlets, JSP, Spring Boot

Database: MySQL

Tools: Git, GitHub, VS Code, NetBeans

Core CS: OOP, DBMS, Computer Networks

Internships

Mobile App Development Intern (Flutter)

May 2026 – Jun 2026

Council for Skills and Competencies (CSC India – APSCHE)

- Developed cross-platform mobile applications using Flutter and Dart.
- Built responsive mobile user interfaces using Flutter widgets.

Java Full Stack Development Intern

May 2025 – Jul 2025

Shikhara Embedded Solutions Pvt. Ltd., Hyderabad

- Developed Java applications using Core Java, JDBC and MySQL.
- Implemented CRUD operations and integrated backend modules with MySQL.
- Collaborated with the development team to build and test application features.

Projects

Secure Network Traffic Analyzer

Computer Networks | Packet Analysis

- Designed and monitored a secure network topology for packet inspection.
- Analyzed network traffic to evaluate communication patterns and performance.
- Generated traffic logs for troubleshooting.

Smart Whiteboard

React.js | Node.js | Express.js | Socket.io

- Developed a real-time collaborative whiteboard application.
- Enabled synchronized drawing for multiple users.
- Implemented freehand drawing and board clearing.

Student Information Management System

Java | JDBC | MySQL

- Developed a web application to manage student records.
- Implemented CRUD operations using Java, JDBC and MySQL.

Education

Lakireddy Bali Reddy College of Engineering

2023–2027

B.Tech in Computer Science and Information Technology – CGPA: 9.41

Sri Srinivasa Junior College

2021–2023

Intermediate – 97.1%

Sri Chaitanya School

2020–2021

SSC – 100%

Certifications

- AWS Certified Cloud Practitioner
- Oracle Generative AI Professional Certification
- Introduction to Industry 4.0 and IIoT — NPTEL (2026)
- Cloud Computing Essentials — Infosys Springboard (2024)

Achievements & Activities

- Secured 1st Position in Academics.
- Received Special Appreciation in the HackIT Hackathon.
- Organized a C Programming Bootcamp.
- Student Coordinator for college technical events.
- Participated in NSS community service activities.
